2) The statement submitted by the Inspector General shows that the cost amounted to Rs 401/10/9 from July 1908 to June 09, and to Rs 268/10/6 from July 1909 to June 10. Since the Dy was requested to restrict the lights, & use power economically, the cost seems to have gone down in the 2nd official year under advertence ~~perhaps account for economical use of electric power~~.

Govt any how increased the allotment under the head "office expenses" from Rs 946/- to Rs 1128/- in the Budget of the Police dept for the year 1910-11.

All that the Dy wants in the present case, is the formal sanction of Govt for Rs 670/5/3, as the Comptroller would not admit the expenditure without an adequate provision being made in the budget
